“ *Maylene,
I have missed you and never could find out anything about you. You were such a wonderful friend. I spent so much of my time at your house when we were in school. Sounds like you had a full and happy life. If anyone ever deserved the good things in life- it would be you. I love you and never stopped thinking of you. You were my first bestie .and I will always treasure those memory's. May God Bless your family. You will be sooooo missed. Doris Jones(Hicks) Murphy.
Such a beautifule person. I scarcely do Facebook anymore but feel as God lead me to you. Just so sorry I cannot see you here but I know I will once again.*
