“ We are so sorry for your loss, I met Megan a few times when my mother and I came to Tennessee from Missouri to visit my sister Tammy, we all had lunch together, she was a very nice sweet young lady , she will be missed by many , but I know not as much of a love a mother has for her daughter, I will continue to pray , again we are sorry for your loss,

“ My memories are of a beautiful little girl. A precious smile, beautiful hair and eyes that lit up the room. As I see pictures, I still see a beautiful young lady. Heavenly Father I ask you to hold Megans precious family tightly in your arms for all the days ahead. RIP sweet Megan.

“ *Watch over your mom, we all love you.
You became my friend and that took a minute.
But it was worth it.*

*Tammi and Nannie I know your lives will
never be the same. May God hold your hearts
and comfort you.*

*There will never be anyone like Megan. And that's just perfect
because she was her own. One of a kind.*

Rest and wait on us. Love you Megan.
