“ *I worked with Michael until he moved to Myrtle Beach. I' ll never forget his sense of humor that broke up a dull day. He always liked to post messages on how many shopping days were left until Christmas. I hope and pray he receives the Peace he deserves.*

“ *Gone but not forgotten...I love you and will miss you my friend. "3" only you and I know how we used to laugh about 3. I remember all the times we went to the Chinese restaurant and I would get chicken, rice, potatoes, and tons of ketchup lol. Also 3:24 on the clock was your birthday every day*
