“ *"Out of the body, instantly before Christ", we believe Mike was instantly out of his worn body and standing before Jesus. How do I believe this; simply because Mike has spent years at the dining room table reading his bible and accepting the changes in his life as the result of his believing. This sight had inspired me and my faith even more. Mike and I have been friends and family for 54 years. He'd become my oldest brother/friend and I was always eager to see him when I went to Tennessee to visit my and Nancy's mom. Mike and I enjoyed each other's company, we always talked honestly, direct and humorously with each other often utilizing Nancy as my interpreter. Mike spoke "funny", 54 years and he never learned to speak English, ha ha ha. Love him with mutual respect. He made life more fun, took care of his family and my parents. That's a good man and husband we all can respect! Our prayers are with you Nancy and your family there. May God bless.*

*Thank you for sharing your love for my Dad Uncle Peter. It means so much for me to hear how he impacted the lives of those around him. I know that the love he showed to everyone made me who I am. He was firm to discipline us kids, but you knew it broke his heart to do so... because later on, he told you so with a hug! He raised us just as God expected of him. He took care of my Mom just as a husband should. He chose her and supported her before all other's, and lifted her up. He led by his actions, and I will always respect him for that.*
