“ Great friend for many years , I think we met in 1976 . Mike taught me a lot and helped my wife and I as newlyweds in 1978. Lots of and lots of memories over the years . Much fun and some race memories with him and his two sons . He will be greatly missed but never forgotten. May God bless Karen for all her years of love and care she gave Mike.

“ Mike and I being friends, I think in the 7th grade, when my mother asked if I would like to take a friend to Florida. She talked to Mrs. Cowell for approval for him to go, and off we went. One of my most vivid memories was when we went deep sea fishing. Mike got seasick and seemed to turn many shades of green. Not a pleasant memory for Mike, but we laughed and laughed about it later. Friends for many years!
