“ *We are very sorry for the death of your dear one, Michael. Jesus' dear friend Lazarus died but Jesus resurrected him, and can do the same for our loved ones. These scriptures are very comforting. (Job 14;14,15). Our thoughts are with you.*

“ *I would like to offer my sincere condolences to the family and friends of King. May you be comforted by the wonderful promise our Heavenly Father has made at Isaiah 26:19 and John 5:28,29. God will soon undo death and reunite us with our loved ones. May this hope and your precious memories give you the strength to endure in the days ahead.*

“ King was an awesome man, father, husband, son, and brother. He was a friend to everyone with that loving smile and would help anyone. He was a great brother. I met King about 33 years ago, he was a blessing. He took care of my kids, just like he did his brothers. After the flood at Waterford, I saw King and Jonathan cooking at the community center. Always trying to help. My condolences to Suzanne, Bobbi, Sarah, Michael III, the brothers, and all his family and many friends. If you ever met King you loved him

“ Words can't explain how I feel. You will be missed by so many but most of all by your wife and kids. Every time I saw you you had a smile on your face. I remember many days coming home from work and you would be sitting by our door, waiting for us to get home.. We have alot of memories with you and thankful that God gave us the opportunity to get to know you and make you our friend but more like family heck my kids even called you uncle. Brayden face would light up every time he saw you that kid loved you probably more than he did us. Forever in our heart King Rest easy big guy.
