“ *I remember meeting Mike in college, as both of us were, in his words, in remedial math together. He and I clicked right off the bat. He was the best man at my wedding and we've now been friends for 40 years. He and I used to drive from Myrtle Beach to Goodlettsville to visit his Mom. We had some great times over the years during SuperBowl skiing in Boone, NC. Mike was the type of friend that no matter how long it was between conversations, we could pick right up as if we had spoken just last week. Mike, you are loved my friend, we will miss you.*
