“ *I have a thousand memories of Mike, Michael, Map.., the names I used interchangeably for my best friend, constant companion, protector and so much more. You opened my eyes to what true love and commitment mean. We laughed, cried, worked, played, enjoyed family and friends, had our ups and downs, our highs and lows and all of it bringing us closer. I will miss you terribly and strive for the high road that leads to heaven and meeting you and our loved ones in Heaven under the Tree of Life. You will not suffer the ills and disappointments of this world now, my Darling. I love you always.*

Mike is the little guy on the bottom left next to Rick, above him is Kathy, and Chuck... he often spoke of his loving family and the good times he had growing up in Anderson, IN.

This picture of Map...was taken shortly before we met in 2007. His eyes were the brightest blue and when he looked at me I knew his words were serious. He was wise beyond his years. I learned alot from this man, a poet, friend to many, family man, heart of gold. He asked his grandchildren to call him Mapa. Truly one of a kind!
