“ *It is almost 3 years since you moved to Heaven....Everyday I think I am going so well and then 3 years.....where did the last 3 years go? I hardly remember any of it....I miss you so very much Michael....you have 5 beautiful Grandchildren now....3 Boys and 2 Girls...seems so unfair that you are not here to watch them grow.....They are missing out on so much by not having Grandparents....I'm Great Grandparent and I tell them about you all the time but it is not the same as if you could be here.....Until we meet again my Son.....*

“ *6 Months have come and gone and I wake up every single morning crying.....I miss you so much....I don't know how we will get through the holidays without you....you were always here first.....I love you and miss you so much....
