“ My prayers go out to all of you. I have lots of good memories as a result of Mike teaching a youth class at the Old Hickory Church of Christ. The class spent many fun hours at y'all's home. Mike & Rose were very loving, caring & sharing. I remember the fun that was had on a camping trip to Fall Creek Falls. I remember the fun that was had on class retreats to Fall Creek Falls. I specifically remember the one where Donna Hall & I got in their room & short sheeted their bed. While doing so we heard Mike & Rose returning to the room, so Donna & I jumped off the balcony & I twisted my ankle & I ended up on crutches. I also remember that they were dedicated Vanderbilt basketball fans. I recently visited Mike when he was at Life Care of Old Hickory. I made sure that I wore my UT sweatshirt which he was not too excited to see. Just keep in mind that this is an emotional time but a happy time to know that Mike loved God & Rose & they will all be together. Also keep in mind that as time moves on the sadness will be replaced by fond memories. This was written by me from fond memories of Mike & Rose & the fun times spent with the whole family.

“ I would like to offer my deepest & sincerest condolences to the family. Cindy & I have worked together for years and I always loved when she would share funny stories about her dad.

It is my prayer that during this time of sorrow and the times that will follow, that the memories of your dad, brother & grandfather help to ease the pain.

Sincerely,
