“ *Mikey, I have cried and begged God to bring you back. I miss you every day, EVERY day! You were my best friend our whole time growing up. You were my second brother. We have so many amazing, hilarious memories and it breaks my heart to know we will never have any more. I've tried like hell to get through this but I don't think I'll ever get over it. I still cry, I STILL scream. I've yelled at God, I've pleaded for mercy. I've done everything. I can't come to terms with this,... and I don't want to move on without you here. Although you're in Heaven, watching over us all, it's not enough. I try to be grateful that you are at peace and flying high but I just can't understand why you left me. Why you left us. I love you so much & I think about you EVERY DAY! Not one day goes by, NOT ONE that you aren't on my mind. I miss you cousin, I miss you so much! I loved you more than life itself & I always will. Fly high and be careful with those wings. Give Ash, Grandma Sharon, & Grandpa Fresh hugs for me. Love, BritYour favorite cousin (Besides Danny Ray) ;)*
