“ *Mary*

I am so sorry for your loss. I just found out yesterday. I hope the memories of your time together gives you comfort during this time of grief. If there is anything I can do just let me know. If you don't remember me I am from A Coins at the flea market.

“ *I am so sad to hear of Mike's passing. He worked so hard to create something special with FanWear and I enjoyed getting to know him in our business relationship. Mary Ann, I am thinking about you during your time of loss. You are in my thoughts and prayers. Sincerely,*
