“ *Mimi was the best mother in law anyone could ask for this side of heaven. Her love for family was always evident in her speech and the many nice gifts she gave was a clear demonstration of her generosity. I believe Millie was a living example of the scripture in James where we are told to not just be hearers of the word but doers of God’s word. She lived a life of faith that encouraged others to put others before self and to support family and friends in all things good. Her goodness and her memory will be with us forever. God blessed us with many good years of knowing her and her sweetness.*

“ *To Dorothy, Michael, Robert, and Richard: Sorry to hear of your Mom's passing. I have many fond memories of coming to your house on Groome Dr. when I was little. Your mother was so kind and encouraging to a young boy who had lost his father. My mom used to tell me how much Millie loved us and I treasure that. Praying Peace for all of you during this time. I lost mom back in 2011. -Terry Thornton, son of Luther and Carolyn.*
