“ *My prayers are with you Karen. Although I didn't know your mom she raised a beautiful daughter! May she rest in peace and now spread her wings and fly as she is now an angel for our lord.*

“ *I have known Mona 1/2 our lives. I am so saddened that I didn't know how sick she was this last year. Broken heart too. I never saw a couple so close as she and Stan, they were one person. It was like that from the day they met. Love you Mo (we were always called Aunt Mo & Aunt Jo) I have missed you for so long. You came to town once, I had your bedroom all ready for you. Linens and Towels folded neatly on the bed along with the afghan Stan made me. But it was not meant to be, we didn't get to see each other. We had a lot of trips to Lava, how fun was that?! We even took Jeff and Angie with us on a day trip. Have you seen Jeff? He loved his aunt Mo & uncle Stan so much. Remember when we got tattoos and Stan almost fainted when he saw yours? LOL. I hope you are with Jed too. So many memories flooding in now. We will talk later, ok? Girls just know in your hearts that you will be with them again. I know they will be waiting for me :) Love you, Miss you, Jo*

“ My love and thoughts are with your family at this time of sorrow. Mona will always be in my heart and part of my fondest memories in life. Her and Stan were dear friends, and I'm sure they are so happy to be together again. Also with her family and pets that she missed so much. Take care, and peace be with you. xoxo
