“ *I knew Myra back in the early 70's when I worked at Dobson & Johnson in the commercial real estate department. Myra was Park Owen's administrative assistant and pretty much kept us all in line. She had a good sense of humor and a warm and engaging personality. All my memories of Myra are good ones. Although I was with the company only two years, I feel honored to have known her.*

“ *Myra was a dear friend and fellow alumna of East High School with my dear mother, Eloise Mahaffey Johnson who passed in early 2016. Their generation knew service to others and loyalty to their friends like no other. Myra was a faithful friend always and checked on Mom, offering sweet memories of the times they'd shared. My heart is warmed to think of them reunited tonight. I have many happy memories of times with them sharing laughter and friendship. May you all be comforted in knowing that she loved well and was loved in return. May your memories become more paramount than your grief. Prayers for your family.*

“ I work at Prism’s Salon and have known Myra for about 40 years. She had followed JoAnn and I around for that period of time. We had shared children, grandchildren, and great grandchildren in that time. We had lots of mutual friends from East High School. She will certainly missed by JoAnn and I. Prayers for the family.
