“ *To the Jackson's Family*

We are sorry to hear about the passing of Nell L. Jackson. Our thoughts and prayers are with the entire family. Although we have entered a dark period in our lives, things will get better for all families of the earth. Especially any who have lost someone in death. Today may we draw comfort from these wonderful promises from God that provides loving blessings for His earthly family. Please take note as to what God reveals to us. God tells us from the scriptures that He would soon rid the earth of all sicknesses and death. (Revelation 21:3-4) Just imagine living during a time when no person will ever get sick, grow old and die. Why even the aging process will be reversed. (Job 33:25) Yet this will be a future blessing that God will bless His earthly family with. Yet God's blessing will stop there. He now reveals another promise that all should give a listening to. He goes on to say that He would also call to those in the grave, and that the dead would respond to His calling and stand up in life again.(John 5:28-29) This second promise is a personal guarantee from God that Nell Jackson, and billions of others will live again. There are nine accounts in the bible that supports these wonderful promises from God. Here is just one such example that is recorded at Acts9:36-42. May I take this time to encourage all to reading this wonderful account that provide true comfort for our grieving hearts. So keep this promise near your heart. Yes remember this promise from God. It will take place. For it is impossible for God to lie. (Titus 1:2)
