“ Nicole your a beautiful woman i was shocked to hear you had parted from us so soon. When i met years ago living in Rio Vista apartments. You become a close friend and help me many times with my kids Joshua and ashton. You become my sister in law and had my brothers children and was a very great mom and support to them. You always cooked and cleaned never did I see anything ever out of place you had such beautiful hair and hair styles. The times and memories in life will always be cherished forever. Rest high on that mountain say hi to my son for me. You will be forever missed
