“ *To the Anderson*

I would like to take this time to express my condolences to the entire family. Our thoughts and prayers are with the family and friends. May you draw comfort from the scriptures where God assures us that we will see our love ones again.(John 5:28-29) Yes we are given God's personal promise or guarantee that our love ones will stand up in life again. You have indeed lost someone who was special. We have all lost love ones and friends. Yet this promise from God tells us that the days are just ahead of us when we will be reunited back with them. So although we have entered a dark period in our lives, brightness is just around the corner. So draw comfort from the Bible. Build your trust by reading all accounts that speaks about the resurrection blessing. Remember that we have God's promise. Yes God does not lie. (Titus 1:2)
