“ *She was one of a kind. Always made our days better just being around her. Especially mine and Josh's. The staff knew to come and get us anytime she was giving them a hard time. She was and will always be our girl. It's so hard not seeing her every morning. We love you Norma!!!!*

I hadn't talked to Norman since before the pandemic. Last time we spoke she was preparing to go to Atlanta. I wonder about her and decided to Google her name.

I know she has gone home and resting in peace. She will be missed, she was a kind person.
