“ *Granddad,*

I never thought I would be able to do this. I never thought you would ever leave me. I feel so alone and lost. You are so much more than just my grandfather. You are my best friend, my man, my backbone, my rock, supporter, my everything! You said that you would never leave me. I am so lost I don't know how to do this. How do I go on with life without you. You was always her for me. We had a pack. You jump I jump. You jumped without me and left me. You said you wouldn't leave you couldn't leave me unless you knew I was okay. I think our definition of okay is way different. You helped make me who I am today. I hope that I have made you proud. I hope that you know what you mean to me and know just how much I love you! We had a relationship that only we understood. I will never forget you. I thank you for everything. I love you always and forever!❤️

“ Dear Uncle Vernon,

Cherished memories of a dear loving uncle, loyal, faithful, kind and wonderful father and family man that will greatly missed.

Your smile, warm presence, bright and cheerful never failed to lift all those around you.

Uncle Orville, you were a giant among men and one of Nashville's finest sons – whom I was proud to call my American Uncle.

Say hello to Aunt Margaret for me.

God bless and all our love and fondest memories.

Peter,
