“ *Marette, I am so very sorry to learn of the passing of your mother. Reading her obituary, she sounds like such an impressive woman, active in and contributing to many things that make the world a better place. I wish you peace. Your mother remains with you - as long as we remember someone, they are always with us, and I know you will keep her close in your heart. You and I may have met some time ago as my daughter, Sarah Agnew, worked at the Richmond facility and now a new location. God bless.*
