“ *We have been so sad since we heard the news. She was our friend even though time had lapsed since we had seen her. We never expected this-she was so kind, professional, and loved with all her heart.*

We will remember her as last we saw her, smiling and happy.

“ What a kind and loving soul - Pam was a genuine and sincere spirit. You knew when you saw her that kind words, compliments, and a big hug was coming your way. May the Lord bless and keep her in His loving arms always. May God comfort the family in a way only He can provide.
