“ *Although I do not know you personally, I would like to express my condolences to your family. It is painful to loose a loved one in death. When my mother passed away, a Bible passage that helped me was Isaiah 25:8 “... He will swallow up death forever.” May it be comforting to you to know that others care.*

“ I was a deputy clerk in the Supreme Court Clerk's Office and I was fortunate and blessed to know Pat. She was someone we could depend on to always be helpful, professional and her door was always open. She will be missed by many whose lives she has touched. I pray for her family and friends during this unimaginable time. I know our God has His loving, comforting arms around all who loved her. God bless.

“ Jerry, Melissa and Jay.....My prayers are for peace and comfort to you and your family during this very sad time now and in the days ahead. The news of Pat's death is of great sorrow for me. Pat and I 'grew up' as neighbors at a very early age - newborns! Pat was born 6 days before me, and the story was always told that Mrs. Akin was coming out of Vanderbilt Hospital as my mother was going in. We were soon joined by Beth Sadler Moses, and the three of us shared many good memories of those years on Bronte Avenue all the way through Litton High (class of '58). Pat was a true and caring friend...a lovely person.

“ I absolutely am heartbroken by the recent passing of my dear friend, Pat. She was a wonderful person with a warm spirit. When I first began work with the Sixth Circuit, Pat was happy to provide me with guidance, patience and love. She was/will always be my dear sister. May God provide you all with the strength to hold each other close during your grief. I pray that knowing Pat was loved [dearly!!] by her court family in some small way provide you with comfort.
