“ Pat was always taking care of neighbors, and I would often see her early in the morning getting people’s paper and putting it by their front door. I always enjoyed seeing her when we were both walking, and she will be greatly missed in the neighborhood.

“ So very sorry to hear this. She was such a beautiful soul. I had the pleasure of doing her hair for many years. She so proud of her son and loved him dearly. I will cherish our many conversations on how we would fix things in this world.....if only someone would listen to us. Lol...She was feisty. I will cherish every moment I got to spend with her over the years. Rest in peace my sweet friend. And may God wrap around her son Charlie for Peace during this time
