“ Patricia/Patty and I met on Facebook. I found out by Patricia/Patty we are Distant Siblings which we do alittle look alike. In April 2021 Patricia/Patty asked me what my Address is and I asked why. She said she was going through somethings and she wanted to Send me some. Patricia told me before she was a lifetime Graceland Sibling of the Elvis Presley Family, (which she told me, we are Related to the Elvis Presley Family, Queen Elizabeth II, Barbra Streisand, Former President Jimmy Carter, Diane Lane, Donna Wilkes, etc). I Received a Mailing Box from Patricia/Patty with some of Elvis's Keepsakes Purchases like an Address Book with a Black and white Picture of Elvis Presley, a Stretchy Silver Band Watch with a Black and White Picture of Elvis Presley, a Small Tarnish Silver Heart Shape Picture Frame with Elvis Presley's Profile Picture, a Small Trinket Box with a Color Picture of Elvis Presley, 1 DVD, some VCR Tapes and Cassette Tapes with Scenes I think some Bloopers from every Movie, and talks about Memories of Elvis Presley, which they are all in the Mailing Box. I really don't know What she Meant Good or Bad, which I think Good.
