“ *This beautiful lady and I were friends for 53 years. I loved her like a sister, and I'm so happy she took me under her wing at age 19. I know she thought I had a lot of growing up to do, and she helped me with it. The stories I could tell! I talked to her so many hours on the phone, and yesterday I thought "oh...I've got to call Pat". I'm very heartbroken that she left, but I'm praying that she is safe and not hurting, and resting in the arms of love.*

“ Pat had a huge heart for animals, especially cats and this was one of the things we had in common. This pillow was a gift from her several years ago, and we shared many, many cat stories through the years. Pat was a big supporter of our cat rescue both in Nashville and when we moved to San Antonio. She was ecstatic being able to return to home last year to be with her beloved Bitsy, who sadly passed last March. Bitsy was Pat's entire world and I know she was there to meet her and they are happily together once again.

Thank you Centipede and Colleen for giving Pat the biggest gift of all - allowing her to live in her own apartment on her terms. We will miss you Pat, thanks for all the love and laughs through the years!
