“ I'll cherish every second I had with you. I won't change a single ingredient when making your recipe. I'll do the cabbage patch in your honor anytime I am on the dance floor. I'll keep my promise to you and take care of Mom and our girl Nessie. I will try to stay humble and not sweat the small stuff. I'll continue to show the East Nashville transplants who's boss.

Patty, we know we hit the jackpot when you came into our lives and decided we were where you belonged. I love you, I love you, I love you.
