“ *Fly with the angels my sister. Words can't express the sorrow I feel for your children and grandchildren. But we all know that you impacted everyone's life that you came in contact with and that could never be taking away and a promise I made to you last week is to always check on Joseph and that as a family we will do!!Love you and always in my heart.*

“ Pennie was more like a daughter than a daughter-in-law, we lived together for about 10 years and went through some rough times but we have always been there for each other. When I visited three weeks ago we spoke about what we wanted when we pass and yes Pennie the kids are getting the charms for your ashes. I'm glad I could help out. Love you with all my heart ❤️
