“ *I graduated from Stratford with Tony in 1972 and we became really close in 73 & 74. We ran around together along with Stan Smith. We all had great times, always! Those were definitely the most fun times I ever had, Tony was very personable, friendly and very funny. He probably kept us all out of trouble as well, Tony was very level headed and knew when to limit the mischief we could get into. I hadn't seen Tony since our 25th reunion in 1997 until a few weeks back at the Stratford Alumni Night Football game. He looked great and still had the wonderful personality and humor he always had. We all went to Ric Felts house after and talked the whole night remembering the fun & good old days. It was a great night. Tony was looking forward to our 45th reunion next July so we could all get together again. I'm going to miss Tony, he was one of those friends that was a friend to everybody and everybody loved him.*

“ *Rest in Peace Tony. You have earned your wings. Your time here on earth was way to short. I will never forget you. My heart goes out to the family. Ruth and Tammy, you are in my prayers..*
