“ *We are so sorry that this family has suffered yet another devastating loss in such a short period of time. Jay was a long awaited, much cherished child of Mary Ruth and Raymond. He was just 3 months older than our daughter, April. They played together when they visited as kids. It's so sad that he passed on her birthday. His precious wife, Wendy was so kind to me when my mother passed. My heart breaks for her and the rest of the family. You have been and will continue to be in my prayers.*

“ I met Ray at Karaoke he was taking a lot of pictures of everyone. Then I got up on the stage and started to sing The next thing know he was snapping pictures of me so I started getting crazy doing silly stuff and he just kept telling me "Go crazy Breeze" so I did. I got off the stage and Ray then said "Are you going up soon?" I was out of breath but I had enough to say yes. An with that I was back up on the stage going crazy again for my pal Ray. Going to miss you pal take care wherever you are. + Breeze Aubrey
