“ *I worked with Ray for at least 30 years and enjoyed having him as my dear friend! I know Ray was not very happy after he lost his dear Joyce, but now him and Joyce can be together again and be happy! Ray dearly loved his sons, Bruce, Jose and Terry, when he spoke of his boys his eyes would light up and he was proud!! I never met Jose or Terry, but I had the pleasure of working with Bruce at Link Electric and he was always a very mannerly and good person! Your Dad and Mom was very proud of you Bruce!! With my sincere sorry of losing Ray, I pray for your great loss!*

“ *I've only known Ray for a little more than four years, and in that time I found him to be a good man. What started as friendly neighbors became good friends, and we kept in touch near daily toward the end. We weathered a pandemic and tornados together. I'll miss those lazy summer days on Ray's porch, listening to his many life stories. I'll miss him.*

“ Talked with Ray many hours on the phone during his time at Link Electric. He was a stickler for details - but always enjoyed his stories! He loved to travel and spoke of his family often. I'm sure the last couple of years were tough without Joyce. Thinking of you all during this time!
