

Richard Chase Calligan

March 29, 1970 - March 16, 2020

Richard Chase Calligan, age 49, of Old Hickory, TN, was born March 29, 1970, and passed away March 16, 2020.

Chase Calligan, precious son of Cole & Kathleen left this earthly journey in the early morning hours Monday, March 16th.

Chase came into this world weeks before expected on his Mom's 20th Birthday. We are quite certain it was the only time ever that he wasn't late. God placed in Chase a never ending bright radiant smile, a fearless bold Fun loving personality that endeared him to everyone. He loved people and he never met a stranger.

He married his main squeeze, Julie Bilyeu, with who they had two boys, Colton and Scout, and a girl, Jaden Bilyeu, who was the apple of his eye. His kids were his greatest accomplishment and joy in life.

He taught his kids to snow ski, how to build the biggest backyard bon fire in Old Hickory, his love for his special recipe meatloaf and how to grill the hottest chicken wings in town.

His passions were many; nature, animals, rock and roll music, finding beautiful rocks for his Mom, being outdoors and repurposing anything broken and discarded by others. He loved restoring his 1961 Thunder Bird, nicknamed Thunder Chicken and a 1978 Chris Craft Boat, called Smurfett. Chase loved learning and was curious about life and how things worked. He was filled with a fearless energy that sent him head first into BMX racing, bungee jumping, parachuting and repelling. Before he was a teen he could

back a trailer, operate his Dad's construction equipment and dock a 36 foot houseboat. The only time Chase was ever still was while flipping between watching Orange County Choppers, Cops, or anything else on the History Channel.

His family is honoring his wishes to be cremated. His kids, will host a celebration of his life in the near future just the way their Dad would want it. Chase leaves us with our hearts full of love, compassion, forgiveness and oneness that connects us all as family.

Here it is a few weeks have passed and it hurts just as much now as it did when I first heard. I'm so thankful for the time we lived together after I got out of the Navy cause we formed a tight bond and went from being just step brothers to real brothers. I will cherish those memories the rest of my life. I love you brotha-man!

I met Chase at MTSU as well. We instantly became friends as he did with everyone he met. So, it was not out of the ordinary for him. I will carry a part of Chase in my heart forever. He called me Daveo which kind of stuck for a while. Johnny Williams, John Bryant, Michael Moore, Sean Peirce, Jeff Barker, and Steve Forrester, God rest his soul, were my friends and room mates. I could count on them to be there for me, and they could me. I sure do miss those times, but life changes and develops. Now, I am the happiest I have ever been, but because of these friends I am who I am today. Chase....I can see you now. All those trips to the dam, the rock quarry, the Campus Pub, I will never forget. You will always be considered a friend and a brother. May God bless you, your beautiful children, and all your family and friends who were closest to you.
