

## Richard Allen Felts

May 11, 1954 - April 26, 2020

Richard Allen Felts was born on May 11th, 1954 in Nashville Tennessee. He passed away on April 26th 2020 at the age of 65. Born, raised and retired in Nashville, Ric loved his community. Ric graduated from Stratford High school in 1972 and also attended East Tennessee State University in Johnson City Tennessee. Ric worked as a bartender nearly his entire career and was everyone's favorite mixologist at gatherings. As an avid motorcycle rider his whole life one of his greatest joys was taking trips riding on his Harley with his beloved wife Wendy of 39 years. Ric was always a true and loyal friend to those around him, while maintaining his "class clown" personality. Above all else he loved his family more than anything. His three children and especially his seven grandchildren lit up his life when they were around (even when they got a little rambunctious). He will truly be missed by all who knew him.

He is Preceded in death by his mother, Elizabeth Ann Felts.

Survived by his wife, Wendy Felts; father, Bobby Allen Felts; children, Andrew (Sarah) Felts, Shelby (Rob) Keith, and Ashley (Tracy) Felts; grandchildren, Zayne, Zana, Kaleb, Barrett, Jett, Wyland, and Shaylee.

A Celebration of Life will be held in his home at a later time.

“ *Ric was a very special person always positive. I first met him when he worked at El Taco I was 10 and I told him you're tall! He laughed and said yes I am.*

*Our father loved him like a son. God got a very very special angel that I know will be missed.*

*Until we meet again my friend. Fly high*

“ *I just heard the sad news.*

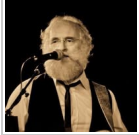

*Ric was a wonderful guy. The last time I saw him was at Tony Taylor's funeral where we serve as pallbearers. He was always the first one to greet you when you ran into him somewhere out and about in Nashville.*

*He will be missed by his family and friends*

*God Bless,

“ I didn't know Rick very well from school days. Once I heard about his health, I contacted him, and felt like he had always been a good friend. I took Rick for 6 wks for his treatment at Vanderbilt and spent the days with him. He always had the best attitude & smile. We told many stories abt Litton & Stratford. And all the wonderful friends we had made. Rick was SS. S. So easy to talk with. I will always cherish those times. Rick loved talked about His family, and always said, how blessed he was. Wendy is soooo beautiful and such a good christian woman!. She knows God will hold her in the palms of his hands and guide her through this time in her live. Plus she has us, a loving army to help support her and family. I will miss seeing what pair of sock he would wear. They were so much fun, just like him. Now he has walked that, “stairway to heaven”
