“ *I can't believe this is true but I had a sinking y feeling. Oh, I miss you. You were funny, outspoken, generous, kind but stern if you meant something. I wish I had said Yes when you asked me to marry you in'89. I will always love you, Richard. My heart and prayers go out to Emily, Dana, your Mother and Father and brother an others.*

“ To all of Richard's family, please accept my deepest condolences. Having grown up in Farmington and gone to school with Richard, it literally seems like I've known him all of my life. Richard is a good soul with a kind heart, and a great friend. To quote Libby Thomas, Richard is loved by all that knew him. I will miss our conversations about family and classic cars. RIP my dear friend.

“ To Richard's family, I am so sorry about your loss. Richard and I have been friends since high school (Germantown). I just spoke with him a couple of months ago. We periodically kept in touch through the years. He was an awesome guy. I loved him! He will be greatly missed by all that knew him. And anyone that knew him, loved him. You have my deepest sympathies and prayers. I am so sorry. Libby Thomas
