“ *Richard was a friend and a favorite employee at the Bike Pedlar for many years. He never had an unkind word about anybody. He was the quiet man who did his job with skill and devotion that brought smiles to the faces of many little boys and girls repairing their bikes.*

Well done my good and faithful servant.

“ *I had the honor and pleasure of working with Richard for many years at the Bike Pedlar on West End. He was a true craftsman and master mechanic. I am truly grateful to have several bicycle wheels built by him on my bikes and will always remember him when I ride. You could always count on Richard to make it right. My condolences to Sheila, his sons and all of his family.*

“ So very sorry to hear that Richard has passed. I worked with him for years and enjoyed every day at that stand next to his. I'll always remember him and his great sense of humor and his love of music. Rest in peace, my friend..

“ I had the pleasure of working with Richard at the Bike Pedlar in Hermitage. We were both mechanics there, and our workbenches were side by side. As two "old guys" in a business dominated by younger cyclists, we shared many common perspectives. I respected Richard's knowledge, his skill, and his passion for bicycles. Working with him was a pleasure, and I feel personally enriched by the experience. I extend my heartfelt condolence at his untimely passing.

“ My Dearest Sheila,
We were so shocked & sad to hear about Richard. I remember the first time I met him. We were visiting Nashville, Penny & I loved to come to your house to see our special cousins, we were the Russell's Girls and what good times we had. One visit there was a good looking guy in your livingroom, it was Richard, your boyfriend, the rest was history.He was a good man and will be missed. It breaks my heart I can not be there for you, but our prayers and thoughts are with you. Remember we are still the Russell's Girls. We love you.
