“ *I loved Rita Scruggs. From our golfing to our swapping court reporting stories, there was always lots of laughs. After i retired and moved away we didnt see much of each other, but when we did we picked up as though we had seen each other the day before. Larry and family, i am so sorry for your loss. She was the best! Linda Carothers*

“ Farewell to our American cousin - a great mother to a lovely family. Funny and spirited, she led her life to the full. We always enjoyed her visits to England and were grateful for her hosting in the US. Fun times on every occasion. We will remember her always and know that she will be busy keeping Uncle Mike company.

We love you all so much. As we said before I wish we were closer to each other logistically. Love you all and you were definitely thought of last night at the ceremony and during this whole process. I'm so happy that Reed and Larry and uncle Mike and aunt Sheila and all you all were able to get together the last time in England.

“ Rita and I spoke or saw each other every working day for 20 years. We laughed and cried together and celebrated our families together. I watched as you kids grew up and saw how proud she was of you. She will always be watching over you! Know that your mother lived every day as if it were her last. The memories she left with everyone are many. I know she will be missed beyond measure by you all and I pray for God’s healing. Her spirit lives on through you. Genesue
