“ *To the Family of Bobby, my sincere condolences for your loss. The pain and the sense of loss that death brings can be overwhelming without the help our Creator can provide. As you cope with your loss, may you also find comfort in knowing that soon God promises to put an end to all the things that have plagued mankind for centuries including death (Revelation 21:3,4). May the words from God's word the Bible give you comfort now and strong hope for the future. Deepest Sympathy*
