“ *Linda, we are so sorry at the passing of Bobby. There are so many memories of him growing up with us on Buffalo Street. He was always the one making us laugh. I remember one time he came out his door with a swimming cap on his head and a towel wrapped around his hips. He proceeded to do a hula dance for us. Of course that only lasted until Mrs. Hunt came out. Yep, he got in trouble and we were all laughing our heads off. Seriously though, he was a great friend to all that knew him. He will be missed. We love you and wish you well.*

“ Being the youngest of five children with Bob being closest to me in age, we did many things together. My brother Bob and James Luffman taught me how to print when I started 1st grade. Bob also taught me how to tie my shoes and how to tie a necktie. When I was about 4 or 5 years old and the ice cream man came down our street, my brothers Bob and Billy would take me in the backyard and bang on a trash can lid so I would not hear the bell ringing on the ice cream cart until they were out of hearing range. I will miss the times of getting together with family.

“ We were visiting and eatin at a catfish restuarant (tradition) and Uncke Bob asked my son (1st time meeting him) if he brushed his teeth. Ryan wrinkled his nose and Uncle Bobby wiggled his front partial at him. Ryan to rhis day brushes his teeth 3 times a day and he is now 38. Uncle Bob always made me laugh. Always had great stories of the trouble he and my mom would get into.

“ I was so sorry to hear about your Dad. I can remember my Dad, also Bobby, talking about yours many times. They had retiring from DuPont in common as well as your Dad's former Son-in-law and my Dad's Son-in-law (my husband) being Brothers, so they had a lot to talk about. Our prayers go out to your family at this most difficult time.
