“ *Uncle Bob was such a kind and gentle man – a quiet man. Over dinner last night the kids (Miguel, Kristina, & Tommy) were remembering how he took them out on his boat and let them take turns steering. Miguel said Uncle Bob let him do "donuts" and just grinned at him! We had a wonderful time when we went to visit him and Aunt Gene. We're thankful that we have these fond memories – we love and miss all of you.*
