Rob, I only found out about your passing in September of 2024. I will NEVER FORGET all the good times we shared. You were such a happy, loving presence and I will now so late in knowing about your trip to heaven almost 10 years after your death. You were one of the sweetest men I have had the pleasure of knowing. I hope you're looking down on everyone who is not with you yet in heaven and laughing at us! I loved you, Rob Thompson, and hope you are now at peace.

“*May you find comfort from your memories as well as GOD's word the bible. Some may ask why do people we love die? Romans 5:12 says "That is why just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of GOD to promise what is found at Rev.21:4. If you like more information on why we die visit jw.org.*

“*Rob, I was really hoping that when I came to this website that your name wouldn't be here and that all of this was just some false rumor. Sadly it is real. Goodbye my friend! You probably didn't know or imagine the love that others had for you and the broken hearts that have been left behind. I know you are happy and at peace with your mom and that the reunion must have been grand! I will hold tight to my memories! I love you my friend, I really do!*

“ We will miss you my friend! Such a kind, sweet, and funny soul that will be missed by everyone. I will miss our fun conversations, seeing you smile, and hearing you sing. You always had some funny story to tell me. Each time it would start off with a word then a laugh, and I knew it was going to be good. It was always about one of your friends and then you would say, "bless their hearts". Rest in peace Rob and bless your heart! - Bingham.
