

Robin Gordon

May 3, 1957 - April 21, 2026

Robin Gordon, 68, passed away suddenly on April 21, 2026, after a brief illness, surrounded by her loving family.

Robin was a woman of deep kindness, fierce conviction, and unwavering compassion. She lived a life defined by purpose and service, dedicating herself to making the world a better place in ways both large and small. Her passion for helping those less fortunate guided much of her life's work, and she gave generously of her time, energy, and heart to those in need.

A committed advocate for the environment and underserved communities, Robin believed strongly in the responsibility to care for both people and the planet. She carried this belief into her work as an educator, where she inspired and nurtured others across generations—from preschool children just beginning their journeys to college students finding their voice and direction.

Robin had a remarkable ability to make people feel seen, valued, and capable. Her strength, warmth, and passion left a lasting impression on everyone who knew her. She will be remembered not only for her dedication to her causes, but for the love and encouragement she shared so freely.

She is survived by her daughters, Arin Fife and Corrin Fife; her husband, John Tso; her son-in-law, Darin Wall; her beloved grandchildren, Charlotte "Charlie" Fife Wall and Jackie "Jax" Patterson; as well as her brother, Bruce Gordon, and his wife, Laura. She was preceded in death by her mother, Joan Gordon; her father, Paul Gordon; and her brother, Robert "Stoney" Gordon.

A Celebration of Life will be held at a later date.

In lieu of flowers, the family encourages donations to organizations that reflect Robin's lifelong commitment to environmental stewardship, education, and supporting those less fortunate.

Her greatest joy was her family, and her love will live on in the hearts of her grandchildren, who carry forward her kindness, curiosity, and spirit.

“ *I met Robin when she transferred from Montana to Salt Lake City in high school. She was so friendly and outspoken, and for some reason she chose ME to be her friend! I went along with it. :D Before long we were taking long walks in Liberty Park, discussing everything. We would energize each other with our conversations and I enjoyed her willingness to discuss some pretty intense topics. I graduated and moved to California for college. Back in those days (1970's) we'd write long, thoughtful letters. In that sense, I felt we became life timers, with me as her maid of Honor when she married Jim Fife; taking vacations together — sometimes camping, because we all love southern Utah, but skiing too. Then she and Jim made meArin's God Mother... a great honor. Even though we never lived in the same town again, we met nearly every year. Sometimes I went and stayed at the lovely home in Tennessee. She attended my workshops.*

I'm really sad she is gone now, because we needed a few more conversations!

So I'm writing her a letter....

I am happy to hear she affected so many peoples lives and in such a positive way. I will miss her. The world will miss her fun and playful spirit.
