“ What a wonderful father, grandfather and husband he was to my extended family and to me. Rod has been a part of my life since I was 8 years old and never once did I hear him speak harsh words or raise his voice no matter what trouble Allison and I may have been into. The handiest of handy men who loved to help others. A caretaker. The Rod I knew was a simple man with a heartwarming smile, even in times when he might not have felt his best. I sure am going to miss him and hope that someone somewhere makes him all the jello shots he wants. :)

“ *Mush, he was a very special special brother-in-law. He will really be missed. So very glad we got to do some traveling while he and Lou were still with us. I will miss seeing him on my Summer visits. Sending love to you and all the family.*
