

Roman Fletcher Boychuk

March 11, 1997 - April 21, 2024

Roman Fletcher Boychuk, 27, passed away April 21, 2024 in Nashville, TN. He was outgoing and smart, a junior-ranked tennis player and a computer whiz. For the past two months, Roman had been residing in Tennessee at a treatment center. Roman communicated with his parents frequently and told both his mom and dad he had been attending a nondenominational Christian church in Nashville which he loved. We can only believe Roman is with Jesus...healed...peaceful...and a winner in the end of his short life.

Roman is preceded in death by his older brother, Peter, and sister, Alee.

Roman is survived by his parents, Mark and Phoebe Boychuk of Gainesville, GA, and his younger brother, Christian, 24. He is also survived by his paternal grandmother, Olga Boychuk, 93, and his "gift from God" niece, Sloane Skye Gaddi, 2, of Cardiff, CA.

In lieu of flowers, the family requests donations to Sloane's college fund. You may Venmo @Phoebe-Boychuk or mail checks made out to Raymond James FBO Sloane Gaddi, 2631 West Torch Lake Drive, The Villages, FL 32163, Attn: Dody

“ I’m not really sure how to begin here. I don’t handle loss well. Probably why I’ve put it off. Some people come into your life and stay there. Romiee was one of those people. We met in 2017, and from then on I loved and adored. He was wild, but he was such a kind and generous and gentle soul. Seeing this was horrible and I can’t even send enough love to the family. But in solace, just know, he made a mark, and it was good, it was kind. 😞

“ Roman, you were a great friend, I thought of you often when you was struggling with the battle of mental health and addiction. I wish we would have bonded more together and occur that demon together. I always remember how fast you could run, well buddy the Lord open up the gate for you and you can run as fast you ever could. I miss you Roman 😞

“ Phoebe and Mark- no words are enough to express my deep sorrow to hear the news of Roman. I have known your family for over 20 years. Beautiful Allie was our first babysitter in Gainesville.

I remember Roman mostly from his cute precocious smile... he was always so sweet when I spoke to him.

Our boys took tennis lessons from the same instructor so we would get to watch Roman hit before. Wow! He was such an incredible athlete and his love of tennis was so evident.

I'm so sorry that he had to endure so much- Life can be so painful and unfair.

I'm praying for you and Mark. Know that you did the best you could do- that's all we can ever do as parents! You are both loved! 🙏❤️🙏

“ In loving memory: Roman was truly a great inspiration and was always seeking adventurous activities. My husband and I have known Roman since he was a small child. His love of people led him to extend a helping hand to many in need. Roman was very good at the game of tennis which he loved so dearly. We will keep the family in our prayers through these difficult times. May he rest in peace.

“ My husband and I are neighbors of the Boychuck’s I’ll never forget the first day we met Roman. He was about 5 years old. We were in construction of our home . Mark holding Christian was admiring our future home. Then Roman crosses the road from their home, comes running up and enters our home which just was framed over a 10’ basement. He goes running across the floor and wrapping his little arms around two studs and slings out over the opening. My heart stopped as I could just see him falling. Roman was always full of energy and very athletic. Always respectful to us. I prayed for Roman many times over the years. I pray now for comfort for Mark, Phoebe, and Christian. My heart breaks for them all. GS

“ Roman was engaging and sensitive as well as intelligent; those traits stand out for me in thinking back on our interactions. Hadn’t seen him in several years. May he rest in peace. My heart goes out to his family and friends.

“ When Roman was three years old he told me he ate a lizard. I asked what it tasted like and without hesitation he answered chicken. He had a great wit and sweet heart. Rest in Peace Roman

“ I met Roman for the first time when he came to visit his sister, Alee, one of my best friends, up at the University of Alabama. He was so excited to be visiting Alee—you could tell how much they loved each other. I got to know Roman more during Alee’s fight against her tumor. He was always so uplifting, energetic, and he wasn’t shy to express his love for his family. I always laughed with him, sometimes cried, and learned a lot about resilience from him. As tragic as it is that he is gone, I can’t help but feel at peace knowing he is safe and with two of his siblings, watching over all the people that they love and who love them—and that is a lot of people. Rest in peace with God and the angels, Roman!

“ I briefly crossed paths with this young man 3 years ago when I first moved to Charlotte, NC. I found him to be young, energetic, and full of life. He reminded me of my son. He was respectful when he and his friends made too much noise overnight and we even communicated several times after he left. I am glad he got treatment for his addiction but he appears to have lost his battle. God needed him and he will no longer suffer. RIP Roman!

“ Roman was such a good friend to my sons and was like another child to me when he was younger. I remember him as funny, kind, smart and energetic. Things were never dull with Roman around. I'll always have the best memories of the years that we had together at the lake, cook outs, church, vacations and overnights with the boys. I'll love you always Roman and God Bless your family.
