“ *I remember Buddy well from our good times at Woodland Presbyterian Church and the Pioneer youth group. We also went to East Jr. and Sr. and had mutual friends. He was a fine person in every way and glad to know he was also valued by his wife, family, and his many friends.*

My thoughts and prayers are with his loved ones at this time of their sorrow.

“ *I remember the good times we had at Woodland Presbyterian Church in Nashville. This was in the 50's. I finished at Litton High School the same year that Buddy finished at East.*

Walter Anderson & Buddy & I were the BIG GUYS in the Youth Group. I especially remember Jerri & P. G.'s farm. We had great times. All 3 of us were in competition for the pretty girl, Marilyn Kellogg.

I also remember Buddy's Mom as my Sunday School teacher. She was a very humble woman.

I also remember his Dad when we worked together at SHAW & CARTER.

Your family is in our prayers during this difficult time.

“ Jackie,

As the obituary said, "amazing friend", that he was to me during my five and half years with the Traffic & Parking Commision (1961-1966). I wish it could have been longer.
