“ *Aunt Jean - I will always remember the stories you and Mom would talk about. They were of simpler times where everyone interacted with one another, played games together and played games on one another! I can still hear the both of you laughing as you walked down memory lane. We always wish we could go back in time and re-live some of those times, but that is not the great scheme of life. Happy travels. Say hi to Mama and Daddy. I Love You.*

“ *As my Brother has expressed Aunt Jean was like a second Mother to us after our Mom Evelyn passed in 09 (Jeans sister) Aunt Jean consoled me and sent me a box of pictures of her and Mom in Nashville and here in CA, they were always smiling, along with the pictures was a letter Aunt Jean had saved for me for some 20 years or so from my Mom in which she expressed her undying Love for me, I keep that box and Letter close by and always will, they all are deeply missed and forever Loved.*

“ Rocky, Donnie, & Woody - I am deeply saddened by our loss. I have fond memories of visiting Aunt Jean while I was at Memphis State, and her visits to California. She was always there for me to talk with, almost like a second Mama! My thoughts are with you all during this time.

“ Our deepest sympathies for your loss. Isaiah 41:10, 13 fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand â€¦ For I, the LORD your God, hold your right hand; it is I who say to you, â€œFear not, I am the one who helps you.â€
