“ *Aunt Ruthie will be greatly missed! I have so many sweet memories to cherish. She was a wonderful lady that I enjoyed spending time with. I will miss her voice that would exclaim "Why Carie" every time I would come to visit. I will miss laughing with her and hearing her stories of Peepaw, Mamma Gwen, Granny Hannie, and of course Uncle Mack. I will miss sitting in her kitchen remembering how when I was little she would mark my height on her door trim each time I would come to visit and the time that she taught me how to make impeccable spaghetti (that was a very big word for being only 5). I will miss her smile, her encouragement and most of all her love. But as much as I miss her I know she is rejoicing in the arms of Jesus. Oh to finally see with her eyes the one in whom she has placed her trust. So I grieve but also rejoice for her. I really wanted to be there in Nashville with you all. Please know I am sending my prayers and love to you from Texas. Carie*

“ I feel so blessed to have known you, Ruthie. Thanks Malcolm for sharing your mom with us. An angel got her wings, of that I am certain.

“ Too many fond memories to share, Too much sadness to bear. Aunt Ruthie was one of a kind and I loved her dearly. As a child, she made my summers in Nashville enjoyable. She taught me new words like impeccable and prodigious, and she always welcomed me with open arms. She was the best Aunt a boy could have, and a wonderful person as well; loving, caring, genuine, and honest. She had a great sense of humor and she loved to laugh and to make others laugh. That is why she is a namesake to my youngest, and will always be near and dear to my heart. She was an impeccable person and she is a prodigious loss to all. God bless her and all that grieve her loss. Love Always, John
