“ *I am so sorry for all the family and friends that lost this lady. I thought of her as a good friend I had known her for about 6yrs. and we had shared a lot of joy and concerns of others. She will be greatly missed. The Lord had been telling me to check on her and her husband for a while, i did not know that she was the one that was sick, I knew that her husband was sick and that she was concerened about him. The Lord has his on plans and reasons for the way things work out we will not know till it is our time to meet him face to face. So all we can do at this point is to be ready when he calls us home. LOVE IN CHRIST Sherry (the lady that did her hair]*
