“ *Sally, I don't even know where to begin, other than I love you and I'm gonna miss you so much. You was a beautiful person and a great friend to have. I have so many memories of us and Margo having the best of times and probably some good times that I don't remember, lol, but I'm sure it was fun. I know in my heart you'll be watching over us and keeping us all straight. I pray for Andrea and the rest of your family, cause I know the pain that Andreas going to go through, but if she's the strong beautiful daughter that you raised, oh so well, she'll get through this, if not then I'll be there for her. Rest in peace my friend, until we meet again, love you.*

“ Met Sally in 1967 at Hume Fogg cosmetology class. She was the wittiest person I had ever come across. Mrs Alexander didn't like her humor, so we were off to Mrs Guthrie's class. We became quick friends and best friends for 53 years. Even though we lived in different states we talked and visited often. I loved her like a sister and will never forget the good times. My heart breaks that I will never talk of see her again. She will always be in my heart and the fond memories we shared. Rest In Peace my friend. Till we meet again.

I was in some of the same classes at Hume Fogg with Sally. And also we worked together at AT&T. She had a really good sense of humor. My sincere condolences to her family.
