“ *It's only right that as I searched and searched for information on Uncle Blue that I couldn't find Samuel Cummings Gregory online but key in Boy Blue Gregory and it popped up. I have so many wonderful memories of you Uncle Boy Blue but the first thing that comes to my mind when I think of you is a big smile on that wonderful face with all your love shinning out. Rest with the angels we lost one down here!!! I love you more than words can say Uncle Boy Blue*

“ Cheryl and Family, I am so sorry that your dad passed away. I know that he is with your mother and is very happy even though we are sad.

He was so blessed to spend the last week where he wanted to be. It meant so much to my parents to be at home when they went to their real home with our Lord Jesus. God Bless all of you.
