“ I remember seeing Ace and Chad at the Wave-pool one year after not having seen them in many! They both were very friendly and handsome young men and we got to talking to them to find out who they were. We could not believe it was them and they could not believe it was us. We had most of our family there (momma, Michelle, Kim, our children). We laughed, talked and cut up all day! They were such a delight to have there and we felt so blessed to get to spend time with them! They both had on their Adidas sandals on and their cool swimming trunks! They ended up eating, swimming, laughing and having a good day with all of us. That was so long ago but I have always remembered that day and will now cherish it even more! I love you Mitzi and am praying peace to you my dear cousin!
